

Original Rihanna version

Yellow diamonds in the light
Now we're standing side by side
As your shadow crosses mine
What it takes to come alive

It's the way I'm feeling I just can't deny
But I've gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Shine a light through an open door
Love and life I will divide
Turn away 'cause I need you more
Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny
But I've gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Yellow diamonds in the light
Now we're standing side by side
As your shadow crosses mine

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Stand in Holy Places version

'Fore we came into this life
We lived with Father side by side
Now we're here & must decide
What it takes to Choose the Right

There's a peace I'm feeling I just can't deny
So I've gotta let you know

I wanna stand in a Holy Place
I will read and I will pray
Check my progress day by day
I wanna stand in a Holy Place

Shine my light, for all to see
Living pure and modestly
Turn away from drugs & sin
Feel the Spirit burn within

There's a peace I'm feeling I just can't deny
So I've gotta let you know

I wanna stand in a Holy Place
I will read and I will pray
Check my progress day by day
I wanna stand in a Holy Place

'Fore we came into this life
We lived with Father side by side
Now we're here & must decide

I wanna stand in a Holy Place
I will read and I will pray
Check my progress day by day
I wanna stand in a Holy Place

I wanna stand in a Holy Place
I will read and I will pray
Check my progress day by day
I wanna stand in a Holy Place
