

June Week 2: "If I live worthily, the Holy Ghost will help me choose the right."

Identify the Doctrine: Place on the board the sign "What does the Holy Ghost help us do?" Under the sign cut out the individual word squares and place them randomly on the board.

- Sing the 2nd verse to "The Holy Ghost." I have attached a lyric sheet if needed.
- Tell the children that this verse lists 2 things the Holy Ghost helps us do.
- Sing the 2nd verse again.
- Call on a child to put in order the first item listed in the song. Answer: "To guide us ev'ry hour." Repeat with the second item listed, "I'll do what's right."
- Teach about the ways the Holy Ghost helps us.

Encourage Understanding:

- Print off the word strip for D&C 8:2. Take a few minutes and let the children read through it a couple of times.

Object Lesson: Follow the outline as listed. Instead of adding dirt, rice, sand etc. only use cotton balls. Print off the scenario cards. Each card will instruct them to either add or take out cotton balls. After reading each card, instruct the child to shake the jar and listen for the coin. Take time to discuss each scenario and teach how we can listen to the promptings of the Holy Ghost.

Tell a personal story of listening to the Holy Ghost. We also have our "The Still Small Voice" packet that includes a story, graphics, activity, etc. that can be used as a reference.

This will be on sale in the month of June.

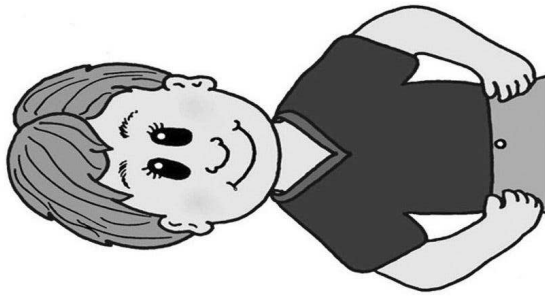

Additional Object Lesson:

Use the center aisle of the primary. My mom says they don't have an aisle in Evanston, Wyo. If you are also a weird ward without an aisle, you should make one for this object lesson. (Just kidding! You're not really weird. Please don't write hate mail.)

- Use yarn to tie a web-like pattern. Use the chairs on either side of your aisle to thread the yarn through.
- Call on a volunteer and blind fold them. Have them stand at the back of the room, facing the aisle.
- Tell the child that they will be following your instructions by stepping forward and over until they can reach the front of the room. Continue giving them instructions until they can reach the front.
- Repeat this process. The second time, have the rest of the primary children sing "The Holy Ghost" song at the same time as you are giving instructions.
- Teach the difference between when we listen to the Holy Ghost without distractions versus with distractions.
