

Week 2: "Marriage between a man and a woman is essential to God's plan."

Encourage Understanding:

- Hang the three graphics on the board.
- Cut out the 3 scripture cards.
- Option 1: Hide the cards under chairs for the children to find.
- Option 2: Since I feel like we do the whole hiding under the chair thing a lot, I thought it would be fun to try something different. You will need three large plastic cups and a few ping pong balls. Tape the scripture card to the front of the cup. Place all three cups on the end of the table. Call on a child to come forward. Have them bounce the ping pong ball and try to get it to land in one of the cups. If they get it into the cup have them read the scripture reference or read it for them if they are too little. Ask the child to match the scripture reference with the correct correlating graphic on the board. Discuss each scripture. **Side note:** This might be too easy for senior primary. I would take additional graphics either from the *Friend* or our "The Creation" packet and mix them up with all of the included graphics. Continue by following the official outline under **Encourage Understanding.**

Encourage application:

Before Sunday, collect pictures of families in the ward. For the game it would be better if they were not instantly recognizable. For instance, maybe pictures of when they were a lot smaller or even their parents family picture when they were young. Shhhhhhhh I have also been known, only when I have procrastinated to just find pictures on FACEBOOK.... Please don't call me a creepy stalker.

Play: Name that Family.

- Split the primary into two teams.
- Pick a team to go first.
- Tell them they will have 5 seconds to look at the family and tell who it is.
- If they guess wrong the other side can steal it.
- Continue playing as time allows or until you run out of pictures.

(Can you guess the family?)

Make sure with each picture you follow the official outline by asking them to point out the man, the woman, and the children.

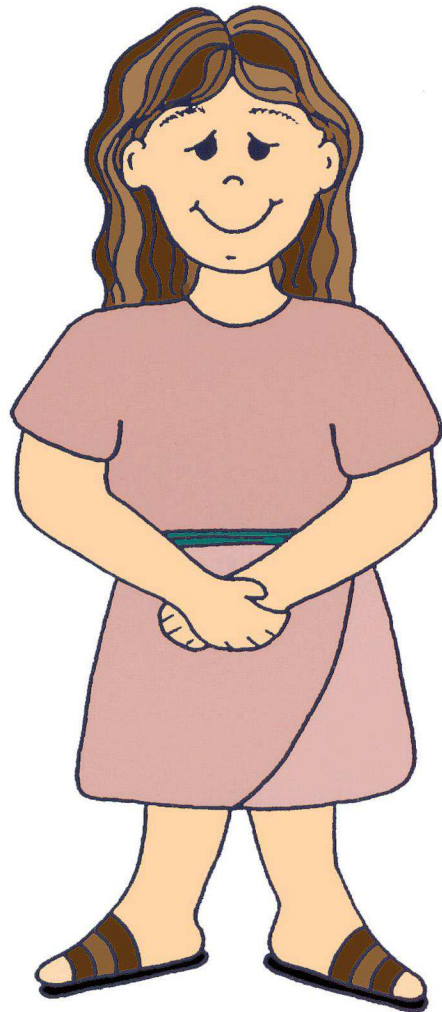

Additional packets to help with sharing time or be used for substitute teaching packets this month are:

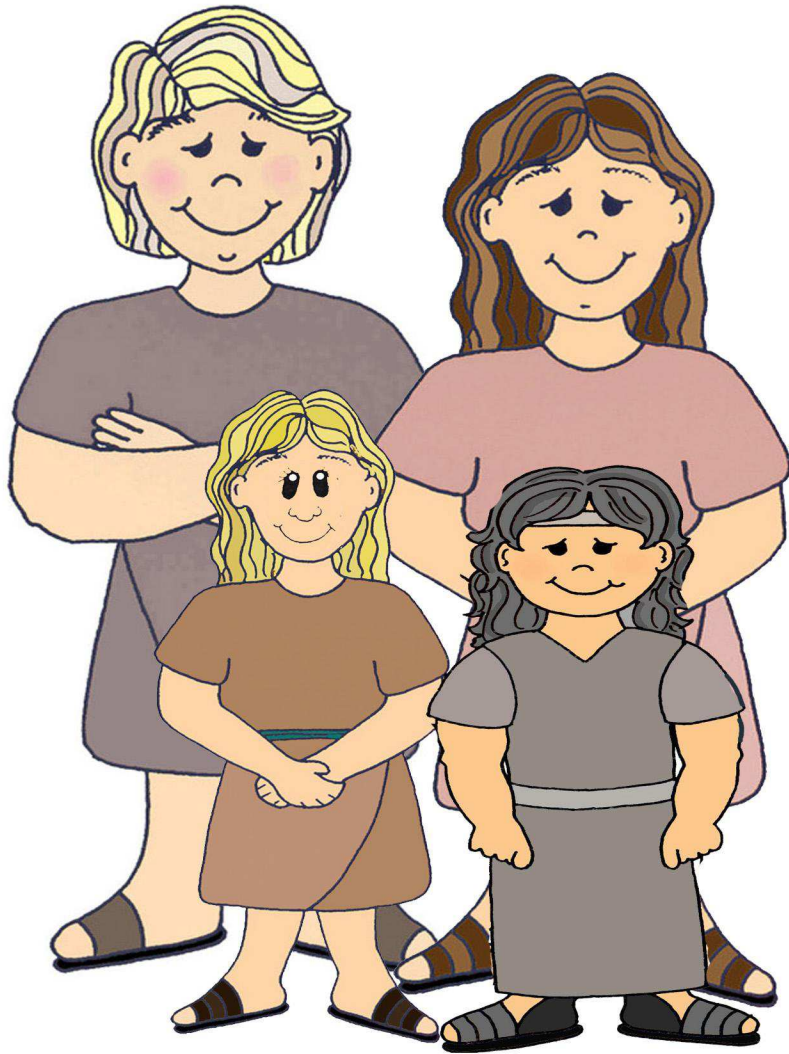

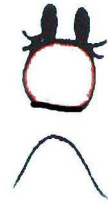

"What is a Family"; "The Creation"; "The Ten Commandments"; "I can help others"; "Love one Another"; "Noah's Ark" and "I can work hard".

Remember to join our Hatch Patch FACEGROUP page to find out about FREE packet days.
