

Ott Be WISE

Young Women Leadership Training

W---Wisdom

It is important to have a deep understanding of people, especially the girls that are in your class. As a young woman leader, you have stewardship over each girl. Just like the owl takes care of himself by being a good predator and doing what it knows, a wise young woman wants to solve her own problems, and has actions that are consistent with her beliefs. A wise young woman realizes that the worth of souls is great and doesn't want any girl to feel that she is not of worth.

I---Insight

Daughters of God have insight to the gospel. Just like the owl has the ability to apprehend the true nature of something, so can you acquire true understanding through problem-solving, discernment, and prayer. You might not know all of the answers, but you know where to seek them: through diligent scripture study, fervent prayer and hard work.

S---sincerity

An important leadership quality is being sincere to those around us. Owls are straight-forward. So can you with the girls with whom you serve. Always keep in mind how important it is to be honest and genuine. Be true to who you are, and never pretend to be something you are not.

E---Extraordinary

Just as there is no other bird like the owl with its beauty, mystery, and vision, so are YOU! You are an extraordinary young woman put here on the earth at this time for a purpose. Your vision of the future is magnificent! Great things are in store for you. You have a great plan to accomplish! Remembering that you are extraordinary will remind you to be the best you can be. Stand for truth and righteousness. Be unique! Believe in yourself, and let your personality shine!
