

**You pray to Heavenly
Father every night.**

**You watch or listen to
general conference and pay
attention to the prophets.**

You sing the songs in Primary.

**You disobey your dad when
he tells you to come home.**

You bear your testimony.

**You decide to go to a party
instead of church on Sunday.**

**You tell a friend about Jesus
Christ and His restored Church.**

**You whisper to your friend instead of
listening to your teacher in Primary.**

You study the scriptures every morning before school.

You feel too hungry to pray before you eat your meals.

You listen carefully as a family member bears testimony in family home evening.

You go to church every Sunday.

**You tease your sister during
sacrament meeting.**

**You have a good, warm feeling
inside as your teacher talks
about Jesus Christ.**

**You miss family home evening
to play at a friend's house.**

**You keep the commandments
and live righteously.**
